EXPERIENCE

FRONTEND DEVELOPER | [FREELANCE](#)

Denver, CO | 7.22 - Present

- Designed and built Headless CMS with Sanity for content customization of React.js built website, leading to a performant and modern website.
- Implemented JavaScript features to client's website providing interactive experiences and dynamic components.
- Collaborated with UI/UX Designer to transform Figma mockup/wireframes into real-world web components for client website.

BEERTENDER | [OUR MUTUAL FRIEND BREWING](#)

Denver, CO | 4.21 - Present

HEAD BREWER | [EVERGREEN BREWERY](#)

Evergreen, CO | 7.21 - 2.22

- Built and developed new product recipes while collaboratively improving existing portfolio, leading to consecutive record-setting weekly sales.
- Managed, planned, and executed operations while maintaining organization, attributing to improved performance and time management.
- Diagnosed, troubleshot, and solved product and machinery issues in real-time resulting in higher product quality and deadlines reached.

OWNER | [UNDERGROUND COOKIE CO.](#)

Denver, CO | 4.20 - 12.20

- Crafted functional brand website, resulting in an intuitive ordering process and positive UX/UI.
- Managed online presence by posting weekly flavor releases, driving follower growth to 1500 within one month of full operation.
- Developed new product flavors based on customer feedback, prompting weekly inventory sellout.

BREWER | [DENVER BEER CO.](#)

Denver, CO | 8.17 - 3.20

- Analyzed customer evaluations to help design new products, resulting in 30% growth of company's year-round brand portfolio.
- Collaborated with team to lead brewery organization program, addressing scalability limits and balanced workloads.
- Managed and packaged taproom product inventory based on production needs ensuring distribution orders were filled and delivered on time.

GRAPHIC DESIGNER | FREELANCE

Since 5.13

PROJECTS

BREWERY BEER BIBLE | LEAD DEVELOPER

- Informative app that provides detailed information about companies' flagship beers. Used for quick and easy reference during customer service.

FRONTEND: React and Bootstrap | BACKEND: Sanity
