Full Stack Web  
Development Certification  
12.2021 - 06.2022

### SOUTH DAKOTA STATE UNIVERSITY

BS - Advertising  
Minor - Business & Marketing

## PROJECTS

### TIMER APP | LEAD DEVELOPER

- Mobile application created to increase brewer's efficiency around the brewhouse and cellar. Brewers are able to have an unlimited quantity of timers, allowing them to keep track of many tasks simultaneously. They can name, save and set custom timers based on needs.
- FRONTEND: React, Vite and Tailwind CSS
- BACKEND: Node.js, Express and MongoDB

## EXPERIENCE

### HEAD BREWER | EVERGREEN BREWERY [Evergreen, CO] 7.21 - 2.22

- Created and developed new product recipes while collaboratively improving existing portfolio, leading to consecutive record-setting weekly sales.
- Managed and executed brewery schedule, maintained and organized inventory, and purchased raw goods and supplies allowing for optimized production flow.
- Diagnosed, troubleshooted and solved product and machinery issues resulting in increased product quality and higher yields.

### OWNER | UNDERGROUND COOKIE CO. @ [Denver, CO] 4.20 - 12.20

- Designed and created brand website for customer orders, resulting in an intuitive ordering process and positive user experience.
- Managed online presence by posting weekly flavor releases and engaging with and answering customer questions, driving follower growth to 1500 within one month of full operation.
- Developed new product flavors based on customer feedback, prompting weekly inventory sellout.

### BREWER | DENVER BEER CO. [Denver, Colorado] 8.17 - 3.20

- Analyzed customer evaluations to help build and tested new product designs, resulting in 30% growth of company's year-round portfolio, the development of a new brand with three core flavors and seasonal portfolio additions.
- Collaborated with production team to construct and lead brewery organization program for raw materials, providing a more balanced workload across departments.
- Managed and packaged taproom product inventory based on production needs ensuring distribution orders were filled and delivered on time.
